

HHMI
janelia farm
research campus

Outline

- HHMI and Janelia Farm
- Janelia Farm science programs
- Science administration at Janelia Farm
- A day in the life of a program manager
- Discussion & personal reflection
 - Why Janelia Farm?
 - Transition from the bench
 - Lessons learned

Howard Hughes Medical Institute

HHMI Charter:

“The primary purpose and objective of the Howard Hughes Medical Institute shall be the promotion of human knowledge within the field of basic sciences (principally the field of medical research and medical education) and the effective application thereof for the benefit of mankind.”

Janelia Farm Research Campus

Two synergistic objectives:

1. Identify general principles that govern how information is processed by neurons in the brain
2. Develop new and enabling imaging technologies and computational methods for image analysis

Outline

- HHMI and Janelia Farm
- Janelia Farm science programs
- Science administration at Janelia Farm
- A day in the life of a program manager
- Discussion & personal reflection
 - Why Janelia?
 - Transition from the bench
 - Lessons learned
